Dear Creed,

I am writing this letter to express my sincere thanks to you for your time in showing my wife and me the two properties near Casper and Glenrock. I appreciate your professionalism and time. You answered my questions and if you did not know you told me in a follow up communication; honesty and integrity is something I value. I remain very interested in the property west of Casper. I am currently researching all aspects of the opportunities and businesses I investigated while in Wyoming. Currently, I am in the process of consulting with loan consultants, my attorney, and my financial planner to determine the viability and feasibility of me acquiring the business(s) and/or properties; involving writing business plans. Should I proceed with the opportunities around Casper I will continue with investigation into this property.

I will keep you updated on the progress and alert you to any information that is needed. I will send you the list of questions regarding the property when it is complete; as we spoke about over the telephone.

Thanks again for your information and patience.

Sincerely,

Matthew Fulwell
